Even though this new edition is better than the last, it will not support the old IE version. So you will not be able to view Internet Explorer 5 for the links to old exclamation manuals. You can download the support Exchange 2003 manual from Microsoft in PDF form. Now you can read the manual. (E.g. for links to pages in Exchange 2003) Service Exchange 2003: I think to start start from this site. The other sites you might need to subscribe to access them.
